

Cara 8W 360° gimbal **low glare LED downlight**

 Dimmable	CRI 80	2700K or 2700K~2000K	 IP65 Front	 36°	 360°	 20°		5 YEARS
--	------------------	----------------------------	--	--	--	--	---	-------------------

Series of warm white 8W LED spots in cool matt white and matt black version. CARA is 360° full tilt lighting. Through subtle tilting and rotating the adjustable lighting components can alter the focus, offering 360 degrees of movement and giving prominence to nearby objects and areas.

The CARA downlight is equipped with high-quality COB chip that not only ensure high light output, but also a long lifespan of 50,000 hours. It is located deeper in the fixture, so that the light is not dazzling. The fixture is made of aluminum and has an IP value of IP65 front, which means that they can also be used under awnings or in the bathroom (zone 1 & zone 2). They are available in a round & square version.

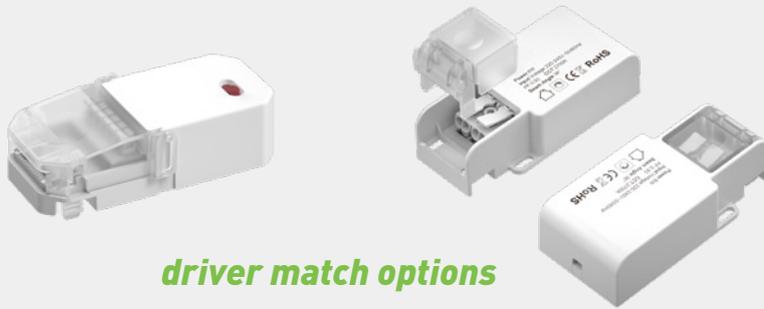

2700K

3000K

4000K
